Brown's Gun Ban Call Shameful Opportunism

The International Coalition for Women in Shooting and Hunting (WiSH) have condemned Australian Greens leader Senator Bob Brown's demand for more gun bans in Australia following the horrific mass killings in Norway.

WiSH Chairwoman Dr Samara McPhedran said "With all of Norway in shock and so many families grieving, now is simply not the time to engage in political point scoring in Australia."

"It is appalling that Senator Brown is once again exploiting tragedy just to gain cheap media coverage for his own political agenda."

"Common decency calls for compassion and sympathy."

"Senator Brown's unhealthy obsession with guns does him and his party no credit. He should apologise immediately for his self-indulgent display of opportunism," said Dr McPhedran.
