'Wild WiSHes': Art Competition Launched

The International Coalition for Women in Shooting and Hunting (WiSH) are excited to announce the launch of their first ever art competition: 'Wild WiSHes'.

'Wild WiSHes' welcomes paintings, sketches, or similar works expressing the broad themes of wildlife and the natural world, human interactions with the environment, and hope for future generations.

The winning piece will be featured on the WiSH website and in promotional material.

Entry is open until December 5 2008.
